Qualify to earn extra revenue by participating in the 2022 Referral Program!

- You should be working with us to receive the Incentives.
- The new registrant must enter Referral Code: **2352919**, in their profile creation page. Arise will not make payment if this step is not completed.
- If the registrant you referred drops, fails, or is cancelled (voluntary or involuntary) from the first certification course selected, your business will not have met the eligibility requirements. **NO EXCEPTIONS WILL BE GRANTED.**
- Referral payments will be made at the completion of the servicing requirement.

This referral program is open to Canadian Service Partners only and replaces all previous versions of any referral program. Phoenix reserves the right to make necessary changes to the referral program at any time with or without notice. If you believe you have not received the referral payments that your business qualified for, please inform us as soon as possible. Any referral payments not received by July 31, 2021 will be forfeited. Please note, final pay-outs may be delayed due to processing time.
